Work Experience

Student

Acropolis Institute of Technology and Research - Indore, Madhya Pradesh

August 2020 to Present

Well, I am good looking charming and very enthusiastic technology lover. Currently pursuing Btech in Computer Science Engineering from Acropolis Institute Of Technology and Research Indore College. From very onwards I am a well disciplined guy which makes my leadership quality more polished. Talking about my Experience:

1. I have thorough knowledge in programming .
2. I am well versed in JAVA , C , C++ , CSS , HTML , JAVASCRIPT
3. Currently I am Head in Mobile Development In Google Developer Student Club of my college.
4. I have created five apps , some are of them for fun and some for my college, for instance Catneen Management app.
5. I am the campus ambassador of Hackerearth platform.
6. Well I have experienced a lot in my school as well, For instance - I have attended many Modern United Nation , I am NDA cadet , Student Of the year and its all due to my discipline.

Technically I am adopting things very early and every sort of job is done very quickly from my side . Aside from technical activities , I am a wonderful sportperson . I have won so many medals an Interschool and Intraschool completion in Volleyball, Football and Kabaddi. At last I have been reputed as Best Student of the year from our ex education minister at school time.
